Blockchain Technology Platform

How OXY Works

From borrower acquisition to disbursement and recovery — a compliant, tech-driven pipeline

Escrow Mechanism (Funds Transfer Flow)

Disbursement Escrow Mechanism

RBI-documented escrow ensures secure, compliant fund disbursal every time.

Recovery via eNach & Escrow

Repayments are collected via eNach auto-debit into a dedicated Recovery Escrow for disciplined collections.

Open for Partnerships

With 10 years of lending experience, **OXYLOANS** is ready to partner as a **DSA, Bridge Loans & Co-Lending Partner**.

Registered with Trusted Credit Bureaus

Every borrower is assessed against multiple bureau data points before approval.

Experian

Global credit reporting & risk scoring

✓ VERIFIED

6-steps standard process to lend and borrow

DSA Partnership Model

We're open to partner as a Direct Selling Agent — sourcing, verifying, and servicing borrowers for you.

WHY PARTNER WITH US AS A DSA?

Wider Reach

Access to a wider, digitally-sourced borrower base

Compliant Sourcing

Every borrower is KYC-verified and bureau-checked

Lower CAC

We absorb sourcing costs, lowering your acquisition cost

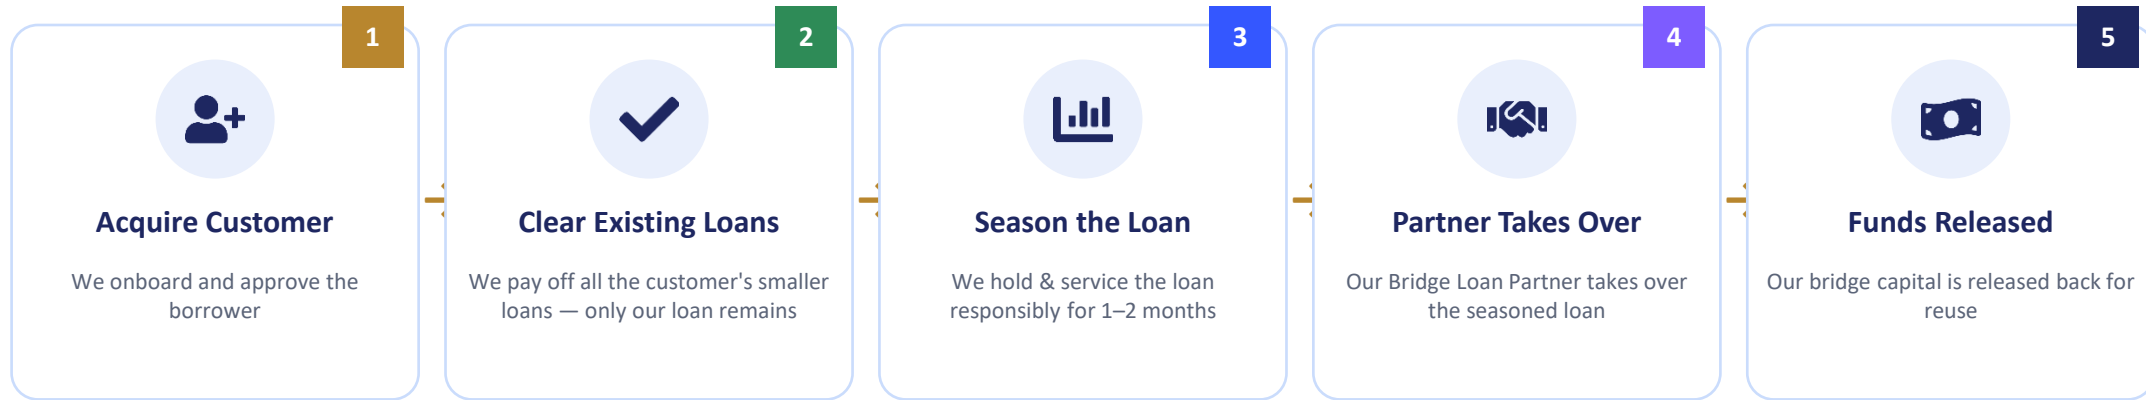

Dedicated Servicing

End-to-end support through the loan lifecycle

OPEN FOR PARTNERSHIPS. WE ARE OPEN TO CO-BRANDED CAMPAIGNS, CUSTOM CRITERIA & EXCLUSIVE TERRITORIES.

Bridge Loan Partnership Model

A short-term bridge that hands off a clean, seasoned loan to our partner.

WHO CAN BE OUR BRIDGE LOAN PARTNER?

ACQUIRE. CLEAN UP. SEASON. HAND OVER. RELEASE CAPITAL.

Co-Lending Partnership Model

We co-lend with NBFCs and Banks, jointly funding eligible borrowers and sharing risk for sustainable growth.

BORROWER LOAN REQUIREMENT

TOTAL LOAN REQUIREMENT

₹1,00,000

To the borrower

OXYLOANS / OXY FINSERV

Co-Lending Contribution

(As per agreed structure)

NBFC / BANK PARTNER

Co-Lending Contribution

(As per agreed structure)

LOAN PRODUCT TARGETS

Personal Loans

Priority 1 — core focus for co-lending volume

Gold Loans

Priority 2 — asset-backed, faster turnaround

Others

Additional loan books, opportunistic

WHY CO-LEND WITH OXY FINSERV?

Shared Risk

Lower risk exposure, stronger portfolio quality

Stronger Together

Partnership built on trust, transparency & performance

Growth Acceleration

Access to a wider customer base and new markets

Financial Inclusion

Together we empower more lives and businesses
